

# NEW POND VILLAGE

*A Benchmark Lifecare Community*

New Pond Village is a welcoming continuing care retirement community offering Independent Living, Assisted Living and Mind & Memory Care on a beautiful 19-acre campus in Walpole, MA.

## Independent Living

**Vitality lives here.** When you move to New Pond Village, you don't leave freedom behind. Our Independent Living neighborhood is designed for active and social seniors who want to leave the burdens of home maintenance behind and pursue their passions among a welcoming group of like-minded friends and neighbors.

- *Bright and spacious one- and two-bedroom apartment homes with lifetime maintenance*
- *Gourmet dining, premier amenities, daily programs and concierge services*
- *Access to a full continuum of care at predictable costs*

**Contact a member of our team  
to learn more about New Pond Village.**

## Assisted Living

**Engagement lives here.** Exceptional, personalized care is the hallmark of the Assisted Living neighborhood. Dedicated dining services and daily activities are designed to keep residents active and healthy.

- *Convenient amenities, including a movie theater, barber & beauty salon, music room, art studio and fitness center on campus*
- *24/7 personalized support from devoted, fully licensed care teams*
- *Studios and one- and two-bedroom private apartments*

## Memory Care

**Compassion lives here.** The Mind & Memory Care neighborhood caters to the different stages of memory impairment. Every detail is designed to give residents a sense of purpose and connection. Individualized care plans in a homelike setting promote health and well-being.

- *Single studio and companion suites*
- *Fully licensed and led by dementia-certified associates*
- *Sensory dining and specially prepared meals*
- *Neighborhood designed with safety, comfort and familiarity in mind*
- *Programs and experiences designed for the individual abilities and needs of each resident*
